Para 2 7/8 — 3 30/8

There is no statutory provision for the fines levied in cases under the Mysore City Municipalities Act or any other enactment being paid to the Municipality. See 57 of Act No VII of 1933 attached to fines levied by the Municipality and not by the Court. There is no reason to create an exception in favour of Mysore Municipality from the general rule by which fines are to be credited to Govt funds. Kind reference is invited to the fines note dated 24-11-1939 by then Member of Council re appointment of an additional Magte for disposal of cases under the Municipalities Act, in Bangalore.
